What Fire Service Chaplains Do

Fire service chaplains perform some or all of the following duties:

- Visit sick and injured firefighters and department members at home or in the hospital
- Make death notifications
- Provide assistance to victims of crisis situations
- Teach fire department personnel in areas such as stress management, ethics, family life, and victim response.
- Serve as part of the Critical Incident Stress Management Team
- Assist at an emergency scene
- Serve as a liaison with other clergy in the community
- Provide for the spiritual needs of department members and their families
- Offers at special occasions such as recruit graduations and award ceremonies
- Provide a listening ear
- Counsel firefighters or EMS personnel
- Counsel other fire department members
- Counsel family members of firefighters and other department personnel
- Coordinate and provide family services in the event of a serious injury or death of a firefighter or department member
- Serve as a ready resource for the fire chief.

A Firefighters Prayer

When I am called to duty, God whenever flames may rage,
Give me the strength to save some life
Whatever be its age.
Help me to embrace a little child
Before it’s too late,
Or some older person
From the horror of that fate.
Enable me to be alert
And hear the weakest shout,
And quickly and efficiently
To put the fire out.
I want to fill my calling
And give the best in me,
To guard my neighbor
And protect his property.
And if according to Your will
I have to lose my life,
Please bless with Your protecting hand
My children and my wife.

He has sent me to bind up the broken hearted…
To give unto them beauty for ashes…
To proclaim the acceptable year of the Lord - Isaiah 61
**Benefits to Members**

- Written materials designed to help chaplains implement and sustain effective programs
- Four newsletters each year keep chaplains current in their field
- Educational opportunities are offered in annual conferences and regional meetings
- A Fire Chaplain Directory is provided to all members to provide a network of mutual support and information sharing
- Provides standing in a professional organization
- Certificates for completion of training
- Chaplain identification is provided through identification cards, membership certificates, arm patches, and auto decals
- Outlines and programs for annual Memorial Services.

**Benefits to Department**

- Provides information and resources for establishing a chaplaincy program
- Gives chaplain training and support
- Keeps chaplains abreast of latest programs and resources available.

---

**Membership Qualifications**

**Members are...**

- appointed to the chaplaincy by a fire department agency
- endorsed by their religious body for ministry as a chaplain
- must have taken FFC course “Essentials of Fire Chaplaincy.

**Associate Members are...**

- appointed to serve as a chaplain by a fire service agency but lack the ecclesiastical endorsement, or have not taken “Essentials of Fire Chaplaincy
- former fire department chaplains who are not serving in that capacity
- individuals or groups that have an interest in and are supportive of the objectives and goals of the Federation of Fire Chaplains.

---

**Membership**

Membership is open to all who are involved with the fire service and EMS chaplaincy. Some of our members are full-time career chaplains; the majority are volunteers. Other are firefighters or para-medics who have religious training, denominational officials, laypersons, or seminary students.

---

**The Federation of Fire Chaplains...**

- Has members in all 50 states, Canada, Peru, other international locations.
- Is non-denominational, non-sectarian, with no compromise on individual convictions.

**The network of mutual support offered by the FFC helps disseminate and share information among its members nationwide.**

Practical assistance is given to fire service organizations seeking to start or improve their chaplaincy programs.
