The "**Essentials of Fire Chaplaincy**" is a 16 hour foundational training course for the fire department chaplain. This two-day course is the basis for training recognition by the Federation of Fire Chaplains and earns the student a certificate from the FFC upon completion. U.S. Fire Departments are now using this FFC training as the standard for fire chaplaincy across the country, allowing chaplains to minister within the fire service wherever life takes them.

Host Chaplain: Lowell Ercanbrack 254-243-0350
